
Building A Leadership Network For Women and Men

In Collaboration with the City of Dallas

Friday, October 5, 2018

Registration: 10:00 am Lunch: 11:00 am Program: 11:30 am—3:00 pm

Overview

This event will highlight the accomplishments and challenges of women and men in leadership. The panel will discuss personal successes and challenges, and how building a leadership network for women and men can help one's career. The event also features two experienced executive coaches and trainers who will conduct career and skill-building exercises that assist with upward mobility while supported by male advocates.
