Ikebana International Dallas Chapter 13 Fundraiser

Kimono Haori (Short Jacket) and Scarves

The Japanique Haoris are vintage authentic Japanese kimono jackets from Kyoto, Japan. The Japanique Scarves are made entirely of vintage kimono fabrics. (Items shown are examples only.)

Sizes: These vintage kimono jackets were made originally for Japanese-size women but are meant to be worn on top of several layers. They tend to fit sizes 4-12 with no problem. Slightly modified versions that will fit up to size 16-18 are offered. Let us know if you're looking for the original or modified (larger) versions. Please RSVP no later than Nov. 19 to indicate preference.

You may indicate your desired color, pattern and size preference when you rsvp, but most items are one of a kind. We receive a bundle with a variety of colors and patterns, based on current stock. Sales will be on a first come-first serve basis.

Prices: Original \$65; Modified (larger) \$75; Scarf \$50. You are under no obligation to purchase until you see and try on the garment, and it meets your approval.

You may also see the collection at Sue Smith's home on Sat. Dec. 1, afternoon, by appointment. Email sue.c.smith@sbcglobal.net for appointment.
