

# Logistics and Supply Chains in U.S.-Japan Business and Trade

Wednesday, March 9 | 11:30 am - 3:30 pm  
Irving Convention Center, Irving

For 2022, the conversation will focus on logistics and supply chains, which represent both challenges and solutions to recent global trade shortages. As the COVID pandemic has drastically affected the availability of key products and resources, the U.S. and Japan have been looking to innovative models to secure their economic security.
